by El Regalo Effective Training Video School

## GENERAL ENGLISH SPEAKING PRACTICE

LEVELS: B1, B2, C1

FOCUS ON: SPEAKING & FLUENCY

- Expanding Vocabulary
- Common Daily Life Topics
- Fluency Challenges
- #Course4

### Course in figures:

50 hours = 8 modules = 16 weeks

1 module = 8 lessons x 45 minutes = 6 hours = 2 weeks

4 types of tutor sessions, more than 4300 students enrolled

100% final result

### In this course you will learn

-> words and phrases used in real life conversations by native speakers, not academic language used in textbooks

### It will help you if you

-> have been learning English for years  
-> have been trying many different ways to improve your speaking  
-> it's still hard for you to sound like a native speaker

### After completing this course you will

-> achieve conversation fluency much faster than normal  
-> master idioms learned in this course  
-> sound like a native speaker when it comes to the course's topics  
- > use phrasal verbs when speaking  
-> translate concepts, not words  
-> build proper sentences  
-> open up a whole new world of possibilities for speaking English

## LEARNING OBJECTIVES

- ▶ Learn how to make a conversation in some common topics in daily life.
- ▶ Learn some of the most common structures and sentence patterns in English.
- ▶ Learn how to pronounce the most common English words correctly and naturally.
